All pieces in this volume have been edited with regard to current concepts of performance practice. Bowing, fingering, dynamics and articulation have been suggested to assist candidates and their teachers in developing their own interpretations. Markings in square brackets are editorial. Metronome marks are given as a guide but do not need to be observed exactly, as long as the style and character of the piece is maintained. Repeats of more than a few bars should be omitted in the exam unless otherwise instructed in the syllabus or in this book, but all *cresc.* and *dim.* instructions should be observed. Every effort has been made to trace and acknowledge the copyright owners. If any right has been omitted or if any detail is incorrect, Trinity College London will rectify this in any subsequent reprints following notification.
