British Library Cataloguing in Publication Data Burrell, Gibson Sociological paradigms and organisational analysis: elements of the sociology of corporate life. This boole, which has devoured the last two years of our lives, is the product of a friendship and intellectual partnership. The four paradigms - Functionalist, Interpretive, Radical Humanist and Radical Structuralist - derive from quite distinct intellectual traditions, and present four mutually exclusive views of the social work. Each stands in its own right, and generates its own distinctive approach to the analysis of social life. Sociological Paradigms and Organisational Analysis. Show all authors. D. H. J. Morgan · D. H. J. Morgan. University of Manchester See all articles by this author. Sociological paradigms and organisational analysis: elements of the sociology of corporate life. Front Cover. Gibson Burrell, Gareth Morgan. Heinemann, The authors argue in this book that social theory can usefully be conceived in terms of four broad paradigms, based upon different sets of meta-theoretical.
