Learn Beyond.  
Teach Beyond.  
Go Beyond.

BEYOND is a 6-level course for teenagers, from A1+ to B2. The course is based on a detailed mapping onto the CEFR and international exams. It offers a comprehensive syllabus for the four skills through systematic development of *subskills* and linguistic strategies. The age-appropriate *life skills* strand adds a new dimension to language teaching in the secondary classroom.

BEYOND's creative and dynamic approach to topics motivates students to engage with the material, making language learning more meaningful and successful. Units provide constant opportunities for students to express themselves, while the pages are brought to life through a series of specially-produced videos. Throughout the course, language is recycled and reviewed, allowing students to assess and consolidate their progress.

**BEYOND's unique combination of language skills, life skills and motivating material prepares students for success in the 21st century classroom and beyond.**
