

Portals (Modern Magics, Book 2)

Portals is the cross genre (Sci Fi/Urban Fantasy) sequel to Relics and is Book 2 in the Modern Magics series.

For supernatural detectives Thulu and La Fi, "normal" is a relative term. La Fi is a medium, Thulu is a finder, and their usual clients are already dead.

But when their friend Reo is shot, and a group of stranded angels show up at their house for help to find a missing child, things are striking too close to home.

And the portals that let the magical races return to Earth are opening on their own.

With trips off-world, a kidnapped psychic and changes to their own abilities, Thulu and La Fi are hit with a lot more than they usually handle. Of course, their magical friends are there to help, but even they may not be enough to save an increasingly unstable Earth.

"JUGGLING ANGELS, PSYCHICS, AND A MYRIAD OF OTHER MAGICAL FOLK ... THULU AND LA FI RETURN IN PORTALS TO FIND A KIDNAPPING VICTIM AND MAYBE JUST SAVE THE UNIVERSE ... SUCH A FUN ESCAPE!" - LYNDEE WALKER, ESTSELLING AUTHOR OF THE HEADLINES IN HIGH HEELS MYSTERIES.
