**Examiner's Introduction:**  
You are about to read about a very special animal.

Swish! My pet mouse ran straight under our neighbor's chair! Our neighbor didn't hear him because he is quiet, as a mouse should be. If she had seen him she would have yelled her head off.

Zoom! Now my clever gray mouse is bouncing off the jam jar on the breakfast table. He is sliding on the milk left around my glass! He is dancing on my cupcake! He loves drinking lemonade. He eats lots of honey and blueberries. He is silly, different, and really quite funny. I'll always love my dear little mouse.

Say, have you seen my sweet gray friend? You better look now because he is right under your chair!
